

TAX

The Prætica lawyers who practice tax law are highly experienced practitioners.

They teach tax law at the university, and they have written authoritative legal publications in this practice area.

They defend the interests of private individuals, Belgian or foreign enterprises and partnerships, who have questions regarding their tax status or who are involved in litigation against the tax authorities.

WHAT WE DO FOR OUR CLIENTS

- The Prætica lawyers who practice tax law are highly experienced practitioners
- They teach tax law at the university, and they have written authoritative legal publications in this practice area
- They defend the interests of private individuals, Belgian or foreign enterprises and partnerships, who have questions regarding their tax status or who are involved in litigation against the tax authorities.

LEGAL MATTERS

- Advising re direct and indirect taxes
- Planning (tax and estate)
- Litigation (administrative, court)
- Taking into account the client's overall situation (economic and financial reality, matrimonial property regime, ...);
- Interaction with all parties involved (administration, ruling, courts, reconciliation, ...)
- Cooperation with other Prætica practitioners

www.prætica.com

CREATED FROM SCRATCH IN 2011, PRÆTICA IS A HIGHLY INNOVATIVE LAW FIRM 2.0 WHERE DEMATERIALISATION, CORPORATE SOCIAL RESPONSIBILITY (C.S.R.) AND A COLLABORATION PLATFORM ARE COMBINED IN AN ORIGINAL WAY.

THE KNOWLEDGE OF THE LAW ALLOWS TO FIND LEGALLY RELIABLE AND SUSTAINABLE SOLUTIONS; HOWEVER, THESE SOLUTIONS MUST BE COMPATIBLE WITH THE TAX REGULATIONS: THE IMPACT OF THE TAX REGULATIONS MUST ALWAYS BE MEASURED AND ASSESSED.
